

Frankenmuth Dog Bowl, Inc. – Safety Standards for 2021 Season Updated as of May 18, 2021

What We Are Doing To Keep Guests and Team Members Safe:

Festival Setup:

- Expanded event boundaries to incorporate more than 30 acres of Bavarian Inn outdoor green space as festival grounds.
- Increased number of covered seating areas with tables for groups of six people or less.
- Placing vendors in the Pet Marketplace at least five feet apart and increasing walking space for better traffic control.
- Encouraging vendors to offer contactless payments.
- Additional signage as reminders of safety standards.

Enhanced Sanitation Measures, including but not limited to:

- Hand sanitizer stations throughout festival grounds.
- Increased number of hand washing stations throughout festival grounds.
- Extra team members to use FDA-approved cleaners to sanitize tables and chairs.

Additional Actions:

- Reduce number of interactions between guests by eliminating certain entertainment activities like inflatables and moving some programming to larger spaces.
- Sanitize yard games and any high-touch points where guests gather.
- Announcements on safety reminders during festival hours.

What We Ask of Our Team Members:

- Safety Check-In at start of shift to confirm they are not experiencing any COVID19 symptoms and have been not had contact with anyone with COVID19 in the last two weeks.
- Wash hands thoroughly at the start of each shift and throughout their shift.
- Use hand sanitizer as needed throughout their shift.
- Use FDA-approved cleaners to sanitize high-touch points throughout festival grounds.
- All employees directly interacting or unable to social distance will wear masks during their shift.

What We Ask of Our Guests:

- Bring a mask! Wash your hands or use hand sanitizer frequently.
- Do not attend the festival if you or someone in your family is feeling ill.
- We encourage all unvaccinated attendees to schedule a free COVID-19 test before attending the festival. Visit [Michigan.gov/Coronavirus](https://www.michigan.gov/Coronavirus) for test site information.
