Dear Friends:

The 17th annual Frankenmuth Dog Bowl is the world's largest Olympic-style festival for dogs, and returns with free family fun during Memorial Day weekend at Frankenmuth River Place Shops.

Our mission to provide educational resources and advocate responsible pet ownership is more important than ever. More than 11 million U.S. households have added a pet to their family last year and reported reduced stress and an increased sense of well-being because of their pet.

This year, the Dog Bowl team is back in action to put on a safe and entertaining festival with more than 25 dog-related competitions and activities, a pet-themed marketplace and the excitement of many hot air balloons floating overhead during the Balloons Over Bavarian Inn competition flights.

Our team is able to host festival activities and entertainment that ensure a safe and fun experience for all of our guests and festival partners.

Dog Bowl is important for dog lovers as well as the community of Frankenmuth our guests and visitors from many different geographies, and our many non-profit partners. Dog Bowl is proud to support funding for charitable causes including police canine training, adoption and medical costs for families in need, and pet-related military and service organizations.

The Dog Bowl festival is excited to offer our partners a valuable platform to reach an in-person and digital audience of more than 100,000 people and build up their brand influence in 2022. We are pleased to offer the following key benefits for being a valued supporter of Frankenmuth Dog Bowl:
